THIS IS WHERE YOUR JOURNEY BEGINS

Setting sail on your trading journey with XtreamFX Global Academy, we guide you from the get-go. Our comprehensive syllabus begins with a walkthrough to download key apps, ensuring you're tech-ready. Next, we help you navigate the process of choosing the right broker, a critical decision in your trading journey.

We don't stop at technicalities; risk management is our next focus. Through the academy, we'll provide you with an understanding of this vital aspect of trading. We teach how to balance risk and reward, preparing you to protect your capital and maximize profitability.

Before diving into live trading, you'll gain hands-on experience with a demo account. This crucial step will help build your confidence and understanding of the markets.

Moreover, the XtreamFX Global Academy provides robust training in referral and marketing. You'll learn effective strategies to expand your network and grow your influence. Finally, personal development forms an integral part of our curriculum, focusing on the essential skills and mindsets necessary to thrive in the trading world.

At XtreamFX, we provide step-by-step guidance, committed to your comprehensive growth as a trader and entrepreneur.

JOIN THE CHATS

Now that you've downloaded the Telegram App, it's time to take the next step in your journey with us at XtreamFX. We invite you to join our specialized Telegram groups, where you'll stay updated and engaged with our thriving community.

Our Telegram groups provide real-time information, keeping you in the "here and now" of everything happening within the XtreamFX community. From daily updates to trade alerts and charting, you'll find it all here. The first group to join is the Common-Unity Chat Group.

FOREX TRADE IDEAS

XtreamFX offers the opportunity to earn while you learn. Trade Ideas are posted daily. However, there are times the Forex Market will not permit. All membership packages include the forex trade ideas.

NADEX TRADE IDEAS

XtreamFX offers the opportunity to earn while you learn with this strategy. This product is included with the following membership Affiliate Pro. You can also purchase this product as an add on.

CHARTING CHAT GROUP

This is where the Expert and Master educators will breakdown charting information. In this group you will get to practice marking up your charts and asking questions. How exciting to be able to directly ask questions about your charts in a Common-unity where we are all learning!

XTREAMFXGLOBAL

SOCIAL MEDIA

Harness the power of social media with XtreamFX Global Academy to share your journey, market your services, and network. Express your XtreamFX excitement, showcasing personal milestones or insights to inspire others.

Promote your unique offerings effectively and engage with the trading community for potential partnerships and learning opportunities.

Ensure to include your disclaimer in all posts for transparency and place your referral link prominently, directing interested individuals to start their own journey with XtreamFX.

CHOOSING A BROKER

Selecting a broker is a critical step tailored to your individual goals. While XtreamFX doesn't endorse any specific brokers, we empower you to make informed choices. Our education will guide you in querying potential brokers effectively, enabling a decision that aligns with your specific objectives and requirements.

Please note, any broker suggestions are merely for reference; XtreamFX doesn't advocate for any particular brokers.

KEY QUESTIONS TO ASK WHEN CHOOSING A BROKER

1. Broker Regulation: Is the broker regulated? If so, by which authority?
2. Countries Serviced: Which countries does the broker service?
3. Commission, Spread, and Costs: What are the broker's commission rates, spread, and other costs?
4. Minimum Deposit: What is the minimum amount required to open an account?
5. Minimum Withdrawal: What is the minimum amount you can withdraw from your account?
6. Currency Served: What currencies does the broker deal in?
7. Availability of Specific Pair: Is the specific pair you're interested in trading available?
8. Demo Account Duration: How long can you use the demo account?
9. Trading Platforms: What trading platforms does the broker offer?
10. Leverage and Margin: What are the leverage and margin options?
11. Trade Closure Policy: At what margin level percentage will the broker close the trade?
12. Customer Service Quality and Time Frame: How responsive is their customer service?
13. Negative Balance Protection: Does the broker offer negative balance protection?
14. Scalping: Are you allowed to use scalping strategies?
15. Spreads: Are the broker's spreads competitive?
16. Minimum Lot Size: What is the minimum lot size? (Ideally, it should be 0.01)

STAY CONNECTED

In order to stay abreast of all the exciting developments in your area and within the XtreamFX community, be sure to connect with the following events:

SUPER SATURDAYS

Look out for Super Saturday's near you for an intense day of learning and networking. It's a great way to kickstart your weekends!

Make sure to check your backoffice for schedule changes.

FOREX ACADEMY

WATCH EACH VIDEO

Begin by watching each video in the provided resources. These videos are designed to provide you with a comprehensive understanding of our services and methods.

TAKE DETAILED NOTES

As you watch each video, take detailed notes. Writing down the information will help you retain and understand what you're learning.

REVIEW YOUR NOTES

After you've watched all the videos and taken notes, review your notes. This will help solidify the information in your mind and show you if you've truly understood what you've learned.

ATTEND LIVE SESSIONS

Lastly, make sure to attend the live sessions available in the back office. These sessions provide you with the opportunity to learn in real-time, ask questions, and interact with others in the XtreamFX community.

C.O.R.E. ACADEMY

C.O.R.E. Academy, an acronym for Creating Opportunities & Resources for Empowerment & Enrichment, is a comprehensive training program designed to introduce and hone your trading skills. It covers key concepts including:

INTRODUCTION TO RISK MANAGEMENT

Understand the importance of mitigating risk in your trading activity, and learn practical strategies to do so effectively.

SUPPORT AND RESISTANCE

Master the critical concept of support and resistance, enabling you to predict potential price reversals and breakouts.

TRENDLINES

Learn how to identify market directions by drawing and interpreting trendlines.

TYPES OF CHARTS

Gain a fundamental understanding of different chart types and learn how to extract valuable information from them.

TRADING STYLES

Discover various trading styles and identify the one that suits your interest and personality best.

RESIDUAL INCOME & ORGANIZATION BUILDING

Embark on an enriching journey with our Affiliate Programs to master the art of building a thriving organization and generate consistent income. Here are the key areas you'll focus on:

1. Organization Building: Learn techniques to assemble a large, effective team.
2. Leadership Training: Enhance your skills in leading and training others with 'Train the Trainers' Tuesday sessions.
3. Personal and Professional Growth: Understand the importance of investing in your growth and business.
4. Task Prioritization: Master the art of list-making and sorting your tasks and prospects.
5. Recruitment Techniques: Learn strategies for inviting new members and managing objections.
6. Closing Techniques and Three-Way Calls: Master the art of deal sealing and leverage three-way calls in network marketing.
7. Team Building: Learn about edification, understanding personality traits, and tap rooting your organization.
8. Career Progression: Understand various ranks within the organization and active listening to cater to potential business partners' needs.

REACHING OUT TO NEW PEOPLE

Start your journey by reaching out to your contacts without prejudging. Ask if they're interested in trading or leveraging Forex trade ideas, and understand their income goals to tailor your opportunity.

Follow two steps:

1. Pique Interest: Send a text introducing yourself and the business opportunity, for example, "Hi, this is (Your Name)... I've joined a business community that teaches how to earn extra income. Interested?"
2. Invite: Daily, aim to invite a number of people from your list to a call using the Hyper-Launch System, and repeat with new enrollees.

Implement the P.S.3. system (Pique Interest, Show the Video, 3-Way to Close). Send the first text, share a video explaining everything once they express interest, and offer to answer questions later.

Remember, you're launching a business journey with XtreamFX, and every successful entrepreneur started somewhere. So embrace the process and anticipate the possibilities ahead!

UNLOCKING YOUR NETWORK: THE POWER OF A MEMORY JOGGER

As an affiliate or entrepreneur, your network is a key asset. A memory jogger, a tool that helps you recall potential individuals interested in your offering, can expand your perceived network. In joining XtreamFX Global Academy, consider everyone from family and friends to professional contacts, like your dentist or colleagues, who might be interested in forex trading or earning extra income.
